The Charity

Bolton Lads and Girls Club (BLGC) is a community-based charity driven by a mission to ensure that every child and young person in Bolton has ‘the best possible start in life, so that they have every chance to achieve their aspirations, succeed and be happy’ (Bolton Vision 2030). BLGC provides innovative and accessible services, to enable children and young people to do what they want, where they want, in an inclusive and integrated environment.

We support children and young people and families, especially those from disadvantaged backgrounds, to live happier, healthier and safer lives. Each year we support around 4,000 individuals through our services across Bolton and the surrounding area, and through our outreach in schools and community settings.

Our offer includes: A Universal Youth Provision providing diverse youth club activities, sports, multi-media, social interaction and arts; a Targeted Youth Service providing critical support to some of our most vulnerable children and young people and families in the community and a Football facility that provides fundamental football skills and emphasises the importance of inclusivity and teamwork.

In 2024 and 2025 BLGC has been a certified Great Place to work
